### Notice

Dear Students,

It gives us immense pleasure to announce that College management is going to start another new batch from **January 25, 2022 for 1<sup>st</sup> semester BCA students during academic session 2021-22**. Taking academic interest into account, students are instructed to **attend online classes in new batch provided they have got late admission**. Class schedule will soon be uploaded to College Website.

Apart from that other students are advised to join online classes in new batch if they want to clear up their doubts on previous lecture and for revision classes. According to University norms, it is mandatory for all students whether attending online or offline classes to **maintain 75 percent attendance**. Students will not be allowed to take examinations if their attendance falls below the prescribed percentage.

Students will face strict disciplinary action in case they are found violating the rules and regulations of University and College while educating themselves online from
