Notice

Dear Students (Session 2020-23),

According to University norms, internship is mandatory for 5th semester students to put education into practice and gain work experience. Students have already been informed about internship through various mode of communication.

In this context, 5th semester students from BBA, BCP and BMC streams are being again apprised of internship at organization of repute. All deserving students are required to obtain internship letter from College by **January 20, 2023** during office hours.

Be informed that it has been decided to **organize workshop to impart knowledge to 5th semester students about the aims and objectives of internship to make better cognitive and professional skills**. You are instructed to attend workshop to enrich your understanding and brush-up talents while interacting with teachers and experts.

Schedule for interactive workshop, to be held at College campus, is being given under table below:
