Absent students and others who scored less than 40% marks have opportunity to sit for Mid Semester Examination, re-conducted by management, keeping students' academic future in mind.

In this regard important information is being given below:

1. You have to submit assignments as re-test of Mid Semester.
2. You need to prepare yourself **20 assignments for Mid semester examination**. Ensure each assignment covers every section/unit of syllabus concerned.
3. Assignments should be submitted to College on **March 31, 2023 between 02:00 PM and 04:30 PM** along with request application, citing reasons for taking re-test.

Under no circumstances will you be given another chance if you fail to submit assignments. Internal assessment improves your University result, take a serious note of it.
