Notice

Dear students,

We are very pleased to inform you that IMPACT College, progressing with increasing success, has commenced AICTE approved two-year full time master's programmes MBA and MCA. Keeping in mind IMPACT College's instructional, infrastructural facilities, state-of-the-art computer lab, enriched library, sprawling peaceful and lush green campus at Sampatchak, Gaurichak, Patna along with other amenities for students' convenience, AICTE has granted approval to MBA and MCA programmes for session 2023-24.

Responding to continuous requests from students and their guardians as well, College Management took initiative to run MBA and MCA programmes at IMPACT and to ensure students from Bihar and other states receive quality education and find attractive placement at well-known organizations.

Students studying BBA, BCA, B.Com (P) and BA (JMC) streams from IMPACT College have golden opportunity to pursue higher education MBA or MCA at their own College for building-up a fulfilling and rewarding career. Graduate students from any recognized University can take admission for MBA and MCA programmes in order to brighten up their future. Admission for session 2023-24 will be done on the basis of AICTE guidelines.
