Date: July 12, 2023

## Notice

This is to bring to attention of particular students from BBA and BCA streams for session 2021-24 who were found violating the set of College rules and regulations on June 16, 2023 inside the campus. In the past some of them were caught several times acting in defiance of College norms, and they were let off with warnings. In spite of warnings and advice, they did not mend their ways, and failed to maintain basic discipline and decorum on College campus with other students.

Fed-up with their unacceptable behaviors, College management has decided to place all rule breakers on suspension and debar them from each and every activity of College. Their suspension will be continued until they come to College with their guardian. Guardians are required to submit sworn affidavit to College.
