Notice

Dear Students,

In view of academic interests of students, it has been decided to give one more chance to those 2nd and 4th semester students from BBA, BCA, B.Com (P) and BA(JMC) streams for academic session 2022-25 and 2021-24 respectively **who have either missed out their Class Test and Mid semester examination or scored marks below 40 percent in both tests.**

Such students are instructed to contact their subject teachers to prepare assignments paper-wise comprising **10 questions for Class Test and 20 questions for Mid semester.** They need to ensure that both Class Test and Mid semester questions are distinct with one another.

Well prepared assignments, substitute for both Class Test and Mid semester, will be submitted to College latest by September 18, 2023 from 03:00 PM to 04:00 PM.

Bear in mind this is the last opportunity such students are being provided with to excel in Class Test and Mid semester examination under Internal Assessment.

Take a serious note of it.
