

Ref. No: IMPACT/Notice/C_S/437/2024

Date: 11 March 2024

Notice

Dear students,

This is to inform you that SOEBIT Cyber security & Akati Security together are organizing a webinar on “Cyber Security” for students in India. The webinar will provide you with an opportunity to learn more about cyber security, ethical hacking, AI, digital forensics including other related topics, and how to protect yourself from cyber threats and protect our nation’s infrastructure.

Students of all courses and sessions are encouraged to participate in the webinar by registering themselves through a Google form whose link is attached herewith. Registration is 100% free for all students.

- Webinar date: Saturday 16 March 2024,
- Time: 1:30 PM till 5:30 PM IST (India)
- Method: Online on Cisco Webex.
- Speakers: 7+ cyber security experts (based on the Cyber security selected topics)
- Register here <https://forms.gle/VBmxVumGCcfiPN9U9>

On final submission of the registration form, participating students are requested to submit a copy of their submitted form via mail at stutishree@impactcollege.in by 15th of March, by 1:00 pm IST.
