

Notice

Dear students,

It gives us immense pleasure to announce that "Campus Placement Drive" is being organized by Impact Group of Colleges on Saturday, 07 September 2024 at city campus, Bailey Road, Patna.

In addition to imparting quality education to students, Impact Group of Colleges is also committed to ensuring their placement at organization of repute with attractive pay package. In this regard well known organization 'Revolution Solar Power: A House of Ayushpriya Infratrade Pvt. LTD' has been invited to hold "Campus Placement Drive" and offer placement to students under the hiring process.

Students are, therefore, instructed to reach College at 11:45 AM in Uniform as prescribed by management to take part in "Campus Placement Drive" and secure placement. Students are also directed to update their résumé and take it with them to College to appear in interview and beat the competition.

According to the organization, unsuccessful candidates in campus placement drive will have opportunity to undergo internship followed by placement at the same organization on the basis of their work performance.

All the best.

(Dr. Nilesh Narayan Prasad)

Training & Placement Officer
