

Notice

Fifth Semester students from BBA and B.Com(P) for session 2022-25 are apprised of at least 45 days of mandatory internship, in consonance with University guidelines, to obtain real word experience and hands-on learning.

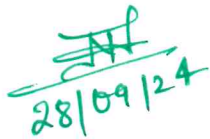

According to University, it is mandatory for 5th semester students to undergo internship at organization of repute to gain practical exposure and develop insight into work culture.

Acting on the University guidelines, IMPACT management has decided that classes for aforementioned students will not take place from October 01 till November 15, 2024. During that period, students will ensure their internship at well-known organization to brighten-up their practical learning beyond classroom.

For further details, students had better contact Training & Placement In-charge during office hours.

• Ensure compliance with instructions.

Note: As per university schedule, the aforementioned dates might be subject to change, if required.
