

Notice

Dear students,

Given the academic talents and programming knowledge of BCA students, a well known organization across the country Tata Consultancy Service (TCS) is all set to hold Programming Contest under the aegis of Institute of Management and Planning & Advanced Computer Training (IMPACT).

BCA students from any semester are hereby advised to take part in the aforementioned contest to flaunt their programming knowledge and win prizes and appreciation to the core, beating the tough competition.

According to information made available to IMPACT by TCS, attractive prizes and certificates will be conferred upon winner, 1st and 2nd runners of the contest.

On this matter, students are hereby by instructed to click link <https://bit.ly/4eWrQYs> to gain access to TCS website and follow the given instructions for registration. Please be informed that registration is mandatory for students to participate in the contest.

For further details, students had better contact Vice Principal Ms. Stuti Shree during office hours.

Do your best.
