### Notice

Dear Students,

This is to inform 5<sup>th</sup> semester students from BA (JMC) streams for session 2022-25 that internship is mandatory for them to gain practical experience outside the classroom settings and develop professional skills and talents.

In this context, students are instructed to obtain No Objection Certificate (NOC) from IMPACT before they do their Internship at organization of repute. College Management has a list of well-known media houses, and "IMPACT Live", located at RPS More, Patna is one among them where BA (JMC) 5<sup>th</sup> semester students can do their internship to learn hands-on experience under the guidance of seasoned journalists and technical experts.

Internship from ordinary/fake Houses or without NOC and Internship letter from College will not be considered valid, as a result students stand to lose their valuable 200 marks (Internal 80 and External 120).

Students are, therefore, advised to do internship at IMPACT Live and submit certificate to College after the successful completion of mandatory internship.

Ensure compliance with the guidelines.
