Notice

Dear Students,

This is to inform you that classes at both City and Main Campuses will resume as per schedule from September 8, 2025.

It has been observed that some students have failed to meet the mandatory 75% class attendance requirement, in attendance with norms, and were consequently debarred from the Internal Assessment.

Keeping your academic future in mind, the College Management has decided to provide one final opportunity to such students to appear in the Internal Assessment.

The following guidelines are hereby issued in this regard:

- 1. Students will be eligible for the Internal Assessment only if they maintain a minimum of 75% attendance from September 8, 2025 until the announcement of the Mid-Semester Examination.**
- 2. Such students will be allowed to take the Internal Assessment upon payment of a fine.**
- 3. Students are advised not to miss any classes starting from September 8, as doing so may result in falling short of the minimum required attendance, leading to a loss of valuable marks.**
- 4. This is the last opportunity for students to secure marks in the Internal Assessment.**
- 5. No further chances will be granted under any circumstances.**

Take this notice seriously.
