

NOTICE

Dear all,

It gives us immense pleasure to share our students' academic achievements with you.

To begin with: kudos to BA (JMC) student Ankita Kumari for session 2021–24, BBA student Shubhangi Isha and BA (JMC) student Khushi Anand for session 2022–25 for securing Gold Medals in the University examinations.

In addition to showcasing the outstanding teaching-learning environment at the Impact Group of Colleges, their achievements also inspire other students to strive for excellence and aim for similar distinctions.

Bringing glory to the college, the gold medalists have proved that when females are given equal opportunities to learn and grow, they can create historical milestones in the fields they choose.

Director of the Impact Group of Colleges, Mr. Manish Kumar, praised the gold medalists, stating that their hard work, commitment, perseverance, and regular class attendance have finally paid off. "Impact Group of Colleges takes pride in their academic accomplishments," the Director said.

The BA (JMC) department of the Impact Group of Colleges, synonymous with Gold Medals in University examinations, has been playing a significant role in raising academic standards to new heights.

Following this trend, our students from the BCA, B.Com (P), and now BBA departments have also created academic milestones by securing Gold Medals in the University examinations.

The teachers and management of the Impact Group of Colleges also deserve congratulations for the achievements of our outstanding students. Their constant support and able guidance help our students become toppers in the University examinations.

We wish all our students the very best for their future well-being. May you achieve everything you aspire for.
