

NOTICE

Dear Students,

This is to inform you that classes at both Main and City Campuses are being conducted regularly for the academic advancement of students. However, it has been observed that some students are not paying sincere attention to their studies and are avoiding regular attendance in classes.

According to university norms, it is mandatory for all students to attend classes sincerely and **maintain a minimum of 75% attendance. Students may be debarred from internal and external academic as well as other college activities** if they fall short of the prescribed attendance.

In view of the mandatory attendance requirement, students are instructed to attend their classes regularly without fail and maintain 75% attendance in each subject for their academic well-being.

Ensure strict compliance with these instructions.
