### Declaration

I, Mr. Manish Kumar, Director of Institute of Management and Planning and Advanced Computer Training (IMPACT), hereby affirm and declare that the Institute of Management and Planning and Advanced Computer Training (IMPACT) was granted affiliation by Aryabhata Knowledge University, Patna, and approval from the All India Council for Technical Education (AICTE) in 2023 for the MBA and MCA programs. The institution is also granted affiliation by Bihar Engineering University and approval from the All India Council for Technical Education (AICTE) in 2025 for the B.Tech program.

Students from MBA and MCA programs for the academic sessions 2024–26 and 2025–27, as well as the B.Tech program for the session 2025–29, at the Institute of Management and Planning and Advanced Computer Training (IMPACT) have not been placed so far, as they are currently pursuing their studies. Placement activities will be conducted after the completion of their respective courses, in accordance with prescribed norms.

However, the placement process for MBA and MCA students from the academic session 2023–25 is currently in progress. Details related to this session are attached for reference and will be updated on the college website in due course.

The statements made above are true to the best of my knowledge and belief, and nothing has been concealed.
