NOTICE

Dear Students,

It has been observed that some students are violating the mandatory class attendance rule and are not attending classes regularly.

According to norms, it is compulsory for students to attend their classes regularly in order to enrich their academic knowledge.

In case students fall short of the required attendance, a heavy monetary penalty will be imposed on them.

This decision has been taken by the management after it was found that students have been ignoring mandatory class attendance rules.

To ensure that students attend classes regularly and maintain the required 75% attendance for their academic well-being, a monetary penalty will be imposed on those who fail to comply.

Students are again advised to attend classes regularly and maintain the required attendance to avoid disciplinary action in the form of a heavy monetary penalty. Take this note seriously.
