Date: August 18, 2026

NOTICE

Dear Students,

It is a pleasure to inform **final-semester MBA students**, as well as alumni, that the noted organisation '**Pan India Energy**', showing its keen interest in Impact College of Engineering and Management has expressed its willingness to provide placement opportunities under its hiring process.

Eligible students from the final-semester MBA programme are advised to make the most of this opportunity by participating in the placement process.

In this regard, the following information is being provided below:

1. To apply: Reach out to the given link: - <https://shorturl.at/X3zFm> and follow the instructions for the registration process.
2. Hiring process: The hiring process will be based on a walk-in interview which will be conducted at PAN INDIA ENERGY registered office in AP Complex, Ranjan Path, and Bailey Road from 01:00 PM onwards on **19 August 2026**.
3. **According to the request letter from the organisation, candidates will be recruited with an attractive annual pay package for the position of Business Development Executive (BDE).**

For further details, contact Mr. Edwin at 9608872372 during office hours.

All the best for your bright and fulfilling future..!
